

In this document, you can find the **MARKET APPLICATION CODES** that you will need to include in your MME application form (question no. 8 – please select up to 3 codes). Please search diligently and make sure you select the right code(s) before entering them in your application.

The **MARKET APPLICATION CODES** are arranged in 3 classification levels (i.e. Level 1 – Level 3; starting with the Level 1 - general fields).

Instructions

1. The following table presents the Level 1 options listed in this document. Please click on the most relevant Level 1 option(s) to navigate to more specialised fields (Levels 2 and 3).
2. You should then select up to 3 codes, regardless of their classification level, and copy and paste them in your application. Please insert the codes in between commas.
3. It is recommended (but not mandatory) to select codes corresponding to the deepest level possible.
